

A SIMPLE SOFTWARE SOLUTION DESIGNED TO

AUTOMATE THE TONER ORDERING AND DELIVERY PROCESS

Auto Cartridge Plus (AC+) is a simple cloud-based toner replenishment program for networked printers. AC+ partners with leading software platforms ensuring that your customers will get their toner on time. You no longer have to worry about monitoring toner levels or managing orders. Prevent the competition from taking your customers' toner business by leveraging AC+.

BENEFITS

- + Protects your toner business
- + Provides you with an annuity stream
- + Flat monthly fee for software monitoring (plus cost of toner)
- + Access to the most current supplies discounts

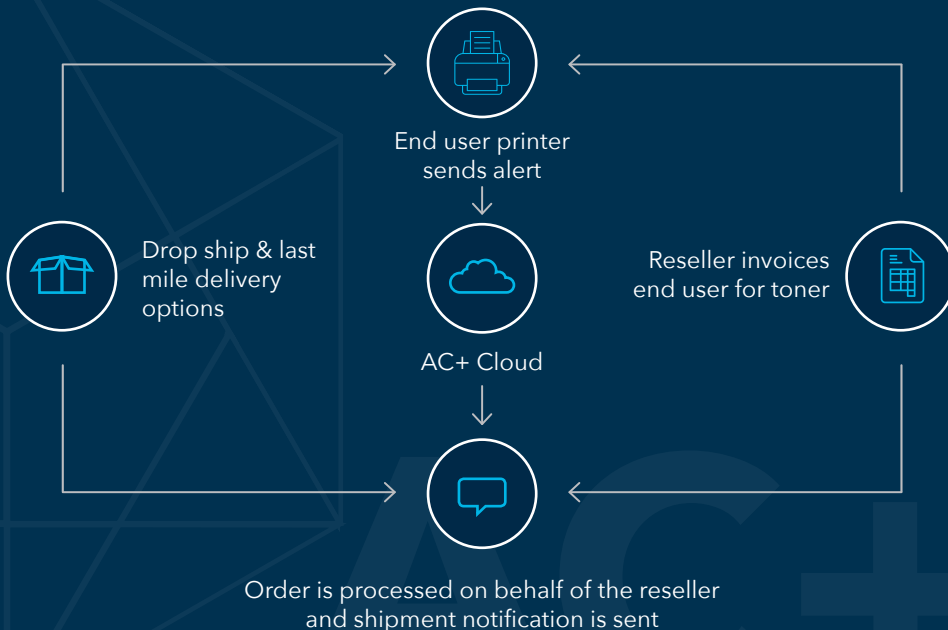

FLEXIBILITY

- + Designed for networked printers
- + Drop ship or wrap-and-label delivery options
- + Supports all leading printer brands
- + Supports both OEM and Innovera® compatible toners

EASE OF MANAGEMENT

- + Easy to install, sell and support
- + Dedicated account to track business activity
- + Live technical support
