

A COMPREHENSIVE MPS SOLUTION DESIGNED TO

AUTOMATE THE TONER ORDERING AND DELIVERY PROCESS

Print Manager Plus (PM+) is a turn-key managed print solution that provides printer fleet monitoring, automated toner delivery, parts and service. This solution provides your customer with one monthly budgetary cost for print related expenses. By locking-up the business with a PM+ agreement, you can prevent the competition from taking your customers' business.

BENEFITS

- + Protects your toner business
- + Provides you with an annuity stream
- + Flat monthly fee for software monitoring (plus cost per page)
- + Access to the most current printer hardware and supplies discounts

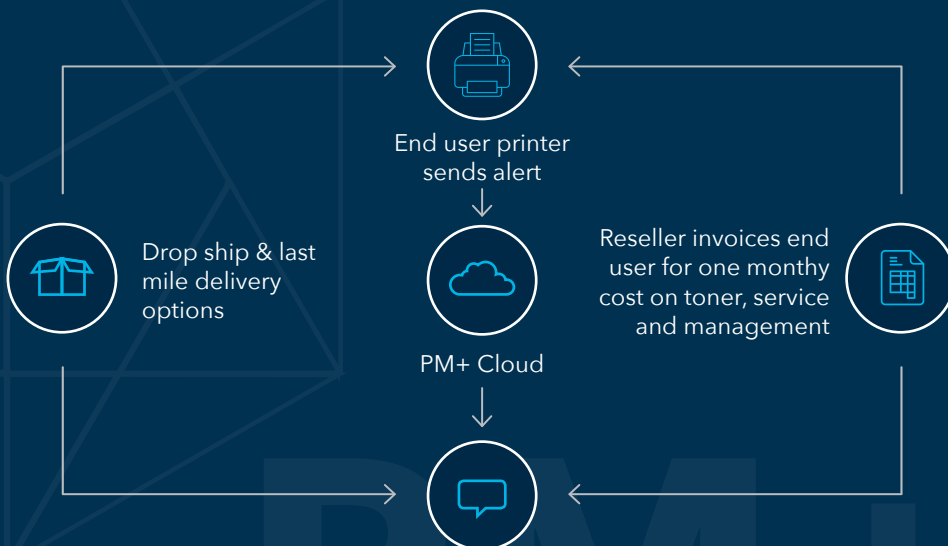

FLEXIBILITY

- + Designed for networked printers
- + Supports all leading printer brands
- + Supports both OEM and Innovera® compatible toners
- + Can be customized to address your customers' environment
- + Multi-year agreements

EASE OF MANAGEMENT

- + Easy to install and support
- + Dedicated account to track business activity
- + Live technical support
- + Dedicated phone triage and support along with a nation-wide service network
